AB 1627/1045 Reporting Requirements Due July 1, 2014

Dear Mr. Nelson:

We are submitting via e-mail the files listed below in compliance with AB 1627/1045. These files are as follows:

1. A Charge Master Price Listing
2. The List of Top 25 Common Outpatient Procedures
3. The Calculation of Percentage Change in Gross Revenue resulting from rate changes has been omitted because PMHD did not increase rates for the coming fiscal year. The most recent rate increase was one year ago effective 7/01/2013.

Charge Master Listing

Attached is a excel file named "Copy of pmhd cdm 061614 (2)." This is the listing of Pioneers Memorial Hospital's updated charge master prices effective July 1, 2014.

25 Common Outpatient Procedures

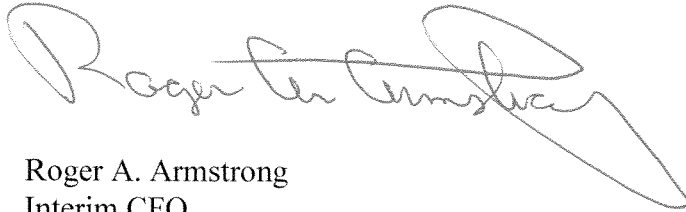

Also attached is an excel file "Copy of OSHPD 25 CommonOPProcedures" This is a listing of the average charge effective 6/01/2014 for 25 common outpatient procedures performed by PMHD.

Projected Percentage Change in Gross Revenue Due to Price Changes

This report has been omitted because PMHD's most recent rate increase was effective 7/01/2013 and the facility has not and will not implement a rate increase for the coming fiscal year.

Your assistance and acceptance of these files is appreciated. Should you have any questions, please give me a call at (760.351.3590)

Sincerely,
